6                   UNITED STATES DISTRICT COURT  
7                   WESTERN DISTRICT OF WASHINGTON  
8                   AT SEATTLE

9                   GAINES WILLIAMS,

10                  Plaintiff,

11                  CASE NO. C14-1509RAJ

12                  v.

13                  ORDER OF REMAND

14                   CAROLYN W. COLVIN, Acting  
15                   Commissioner of Social Security,

16                  Defendant.

17                  The parties filed a stipulated motion to reverse and remand this case for further  
18                  administrative proceedings. United States Magistrate Judge Mary Alice Theiler has issued a  
19                  Report and Recommendation (“R&R”) recommending that the court grant that motion. The  
20                  court ADOPTS the R&R (Dkt. # 21), REVERSES the final decision of the Commissioner, and  
21                  REMANDS this matter for further administrative proceedings consistent with the parties’  
22                  stipulation. Because the parties agree that the remand is pursuant to sentence four of 42 U.S.C.  
23                  § 405(g), the clerk shall enter judgment for Plaintiff. The clerk shall ensure that Judge Theiler  
receives notice of this order.

DATED this 31st day of March, 2015.

The Honorable Richard A. Jones  
United States District Court Judge
